holiness missions

Summer 2025

Youth Camp 2025

In February, God blessed us with what many (including ourselves) described as perhaps the best youth camp we've ever had. Intentional planning to involve ROL's up and coming young ministers proved to be very effective, as we saw tremendous increase in the spiritual unity, morale, and overall enjoyment among the youth. We were honored to welcome for the first time in Panama, the ministry of Rev. Trever Metheny, who serves as assistant pastor of Redemption Holiness Church with ROL President Leon Rich. We have heard from youth who were greatly helped by Bro Metheny's teaching and preaching.

Parsonage Under Construction

As you read this, construction of the parsonage continues in El Higo for Pastor Roberto and family. They are doing a great work and have seen the hand of the Lord throughout their nearly two years there. Not only have we seen the numerical and spiritual growth of the local church, but an outreach in Cerro Plata (which the former pastor founded) has been recovered, and desire for a church has been expressed by several families. One such family is willing for their land to be utilized. We lack about \$10,000 to finish this building project.

Don Rich's 90th Birthday

On May 9, we had the joy of seeing ministry and family friends gather for dinner in Norman, OK to celebrate Bro Rich's 90th birthday! He was deeply touched by the outpouring of love and truly appreciates all that was done for him. One of the many special moments was when preacher friends and family shared their appreciation. Tears flowed as ROL Board Member, Pastor Davin Burnett testified to the important part that Bro Rich had in his conversion. Each one honored Bro Rich so beautifully. As we sang praises and prayed together, a waitress was moved and asked for prayer. God's presence was so sweet. On behalf of the Rich family, thank you to every one of you who wished Bro Rich a happy 90th birthday! Your friendship means so much!

Potential New Churches & Pastors

Another outreach similar to that of Cerro Plata but with more time and experience is that of Las Azules (approx. 30 min from the Panama-Costa Rica line). Pastor Andres of Belen founded and oversees the work. They have already built a small kitchen and two columns for the future church building.

Christmas Smiles Project (December 1st - 13th)

We are also pleased to announce that Project Christmas Smiles is being organized for this winter. Our deepest thanks to the leadership of Sis Sharla Caraway, as well as the extensive involvement and investment of The Upper Room Church of God in Arcadia, FL, pastored by River of Life board member, Rev. Rufus Caraway. You can sponsor a church for \$200 or a child for \$7.
